

Dear Vusi

Thank you so much for your involvement at the MWEB Business Support Conference; it was an absolute pleasure working with you.

Your unique style, entertaining relaxed attitude and ability to grab the audience's attention, well complimented by your talent of translating the clients brief meant that our very mixed audience was 'hooked' early and kept in the palm of your hand throughout your session.

Thank you for your energy and enthusiasm at the MWEB Business Support Conference – not an easy feat, but you managed to read and keep the crowd motivated as well as understand what makes the person sitting next to them important in their daily lives

We look forward to working on the next event with you.

You're a real definition of a public speaking "ROCKSTAR"

Warm regards
